The Ministry of Finance appointed new members of the Board of Directors of the MERO company

The Ministry of Finance, as the sole shareholder of the MERO ČR company, based on the stimulus from the Supervisory Board removed Jaroslav Pantůček, Libor Lukášek and Vlastimil Boura from the office at the Board of Directors of the company.

At the same time Stanislav Bruna and Otakar Krejsa were appointed to the office at the Board of Directors. Their task will be to increase efficiency of economic activities of the company, ensure continuity of business relations with key customers and prepare corporate strategy under historically new conditions of the refinery industry development within the all-European context, and so also in the Czech Republic.

Stanislav Bruna and Otakar Krejsa are prominent experts in the area of crude oil processing. At the half of the last year, they were appointed to the Supervisory Board of the MERO company and so acquired sufficient knowledge about activities of the company to fulfil the tasks required from the sole shareholder and ensure the state crude oil safety.

MERO ČR (international crude oil pipelines) is the owner and operator of the Czech section of the Družba crude oil pipeline and the IKL crude oil pipeline and companies ensuring storage of the emergency strategic crude oil resources in ownership of the Czech Republic. The Czech Republic, through the Ministry of Finance exercising shareholder's rights of the state, is the sole shareholder of this strategic company.
